Action for Licensed Professionals:

1. Verify Your Details:

This listing was compiled based on updated details received directly from the QPs. It is critical that you verify the Name, License Number, Company Name, and Contact Details included on the submitted list are accurate. WAF will submit monthly updates. Incorrect information may impact your ability to be registered in BPASS.

2. Ensure WAF Has Your Current Information:

To be accurately reflected in the monthly updates to BPASS, all licensed Water Fitters/Plumbers must ensure WAF has their most current contact details.
