1. Water Authority of Fiji (WAF), through the Manager, Procurement Department, invites Consultants to a market sounding webinar re the above project.
2. This is an Asian Development Bank (ADB) funded project and ADB procurement and policy rules will apply.
3. The successful consulting firm is required to mobilise international and national experts to deliver agreed outputs, engage in organisational development and manage the delivery of the water operator training program in close coordination with WAF's training and development unit.
4. The market sounding webinar is intended to provide early insight of project scope and client requirements to allow Consultants to assess their suitability for bidding for this work. It also allows Consultants sufficient lead in time to team up with others to maximise their chances of being the successful Consultant or consortium.
5. The procurement will include an Expression of Interest (EOI) phase to shortlist Consultants and only successfully shortlisted Consultants will receive Request for Proposal (RFP) documents.
6. Attendance to this market sounding webinar is not mandatory, and EOI documents will be issued to all Consultants seeking to tender for this work.
7. The market sounding webinar will be on **Monday 23 February 2026 at 2pm (Fiji time)** and the following Microsoft Teams link is provided for organisations interested in the webinar.
